A stunning mountain panorama, absolute privacy, a spacious spa area and five-star service with 24/7 butler and in-house chef - the luxurious Chalet Mimi in Oberlech offers all this and much more. The traditional alpine style living rooms and bedrooms give the first-class chalet a warm character with a feel-good atmosphere.

The arrival at Chalet Mimi is already a real event: the guests are greeted and welcomed in the chalets own garage by the chalet host and concierge. Then they will be guided to the chalet five floors down and through an underground white corridor. Welcome drinks are served on the beautiful sun terrace.

The breath-taking view from Chalet Mimi of the surrounding mountains can be enjoyed on the sun terrace, from the sofa or in the heated outdoor jacuzzi. With a total of six comfortable bedrooms, the chalet can accommodate up to 14 people. In the evening, the private chef spoils the guests with Austrian and international delicacies, while the private butler serves exquisite bottles from the wine cellar. In addition to an in-house chauffeur and daily room cleaning, the comprehensive service includes all concierge services: whether it is ski instructors, nannies, transfers, event planning or table reservations, the 24/7 available team is always happy to take care of all the wishes.
